This same information is also required to have repairs done on the appliances.

Saint Nicholas the Wonderworker

Celebrated on December 19

Saint Nicholas was a tireless defender of the Orthodox Church. In 325, at the first Ecumenical Council in Nicea, he spoke against those who believed that Jesus Christ was just an ordinary man and not the Son of God. Saint Nicholas was a miracle worker. There are many stories that depict this generosity and kindness. He is the patron saint of children, travelers and sailors. It has become a Ukrainian tradition in Canada for children to celebrate this day with a concert in his honour.

St. Michael's Ukrainian Women's Association

It is customary for St. Michael's UWAC to give annual special recognition to our new members and long serving members. On Sunday, November 18, after fellowship lunch, 6 members will be honored for their outstanding service to our ladies' organization and the parish. Recognition of each member's dedication and hard work is acknowledged for every 5 years of their service.

Our volunteers have been diligent weekly, filling our freezers for the Christmas Bazaar, scheduled for Saturday, December 1st. Please support our parish that day by attending and bring family and friends with you. Besides our delectable fresh and frozen foods, the hot Ukrainian meal is also very popular.

St. Nicholas Day will be celebrated on Sunday, December 16 following the Divine Liturgy. Please bring your children, grandchildren and great grandchildren.
